

prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.

Pure Magnesium From the People's Republic of China: Notice of Extension of Time Limit for New Shipper Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce

EFFECTIVE DATE: June 20, 1997.

FOR FURTHER INFORMATION CONTACT: Everett Kelly or Ellen Grebasch, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone: (202) 482-4194 or (202) 482-3773, respectively.

Summary

The Department of Commerce (the Department) is extending the time limit for the preliminary results of the new shipper review of the antidumping duty order on pure magnesium from the People's Republic of China. The period of review is May 1, 1996, through October 31, 1996. This extension is made pursuant to the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act (hereinafter, "the Act").

Postponement

On December 20, 1996, the Department initiated this new shipper review of the antidumping duty order on pure magnesium from the People's Republic of China (61 FR 69067). The current deadline for the preliminary results is June 18, 1997. Under the Act, the Department may extend the deadline for completion of a new shipper review if it determines that the

case is extraordinarily complicated. The Department finds that it is not practicable to complete the new shipper review of pure magnesium from the People's Republic of China within this time limit due to the complex nature of certain issues in this review which require further investigation. Among these issues is the ongoing verification of a reportedly canceled sale and a first time separate rates determination.

In accordance with section 751(a)(2)(B)(iv) of the Act, the Department will extend the time for completion for the preliminary results of this new shipper review to October 16, 1997. Accordingly, we will issue the final results within 90 days after notice of the preliminary results is published in the **Federal Register**.

Jeffrey P. Bialos,

Principal Deputy Assistant Secretary for Import Administration.
